**The New Origo Line Trolley System**

The Origo Line offers tailor-made solutions for every cleaning situation. Developed by an award winning design team, the Origo Line combines market leading ergonomics with ease of use to create a state-of-the-art cleaning tool."

If a standard trolley, is what you're after, it's in the Origo range, but if what you really want is a trolley that you can customise to meet the exact requirements of your operatives and clients, the Origo Line has got that too.

### CFR35 Commercial Pro-Spotter

Portable, Lightweight and Extremely Powerful

The CFR35 commercial spotter is portable, lightweight, and extremely powerful. It is perfect for touch-ups, spot removal between scheduled carpet cleanings, and those locations where the bigger extractors just won't fit. You can use it to pick up small wet spills quickly and easily. The CFR35 takes the hassle out of cleaning spots before they become a major stain.

The compact CFR35 weighs only 36 pounds and can be effortlessly moved from one location to the next, or extend the telescoping handle and tilt the CFR35 back on it's 5" transport wheels for maximum go anywhere convenience.
